

## Organization and Redesign Service

Service	What's Included	Cost (before tax)
Decluttering and Organizing Consultation	SOLD Home Organizers can help you declutter and get organized. During the consultation we will work with you to evaluate the space. During the consultation we will discuss what is not working for you currently, determine storage goals, and evaluate workflows. Photos and measurements will be taken as needed, and we will establish a budget for implementing solutions. We request that the client be available for the consultation. An electronic copy of the consultation notes will be emailed to you immediately following the consultation.	Cost varies based on size and scope: Consult: Max 2 hours, \$50/half hour
Decluttering and Organizing Services	Prior to implementing storage solutions and neatly arranging items, we will work on decluttering by sorting into 3 piles "donate", "dispose", and "keep". We request that the client be present for as much of the sorting process as possible. The client has final say before anything is donated or disposed of.	Billed hourly at \$50/hour, per organizer
Redesign	The goal in redesign is to keep what is working and change what isn't.	Starting at \$250, additional time billed at \$50/hour
Redesign -Walk and Talk	Max 2-hour consultation for homeowners in need of suggestions to optimize the use of their space and give their home a fresh look using primarily existing home furnishings. Homeowner takes notes.	\$250, notes may be provided for an additional fee
Redesign -Take Action	Max 3-hour hands on consultation. SOLD Home Organizers will work with the homeowner to rearrange small furnishings and decorative accessories throughout the home. (Large furniture must be moved by the homeowners). Homeowner will be provided with an electronic copy of any next steps. Perfect for homeowners who do not require a significant investment in new furnishings or accessories and are ready to get right to work.	\$350
Redesign – Full Service	Includes: 3-hour full home evaluation to discuss your design style, evaluate your work flows, take photos and room measurements, and establish your shopping budget. As follow up we will summarize a redesign plan and shopping list for each room, create 3 design vision boards along with scaled floor plans for furniture placement. The Full Redesign plan is intended for decorating only, not for major renovations.	\$1000
Redesign Vision Board	SOLD Home Organizers will source furniture and décor to compliment the homeowners existing furniture for the redesign of a room. These elements will be presented in a visual display in PowerPoint, including product price and source.	\$100/board
Furniture Arrangement	SOLD Home Organizers will take photos and measurements in order to create a floor plan to scale with 1or 2 options for furniture placement using the homeowners existing furniture.	\$100/room

Shopping Services	SOLD Home Organizers can create a shopping list for your organizational and redesign needs, or you can enlist your expert organizer to source, select, and arrange the items needed on your behalf!	Time billed at \$50/hour
